Profile

I am a creative and resourceful instructional design professional with strong communication and leadership skills. Collaborating with instructors and my colleagues on the instructional design team to develop quality online courses is the best part of my job.

Experience

2020 - Present

INSTRUCTIONAL DESIGNER

University of Alabama, Tuscaloosa, AL

Partner with content experts (CE) to design and develop online courses. Collaborate with CEs and instructional design colleagues to creatively build courses using Blackboard and various outside tools to produce engaging and productive instruction.

2011 - 2020

DIRECTOR OF PRESCHOOL MINISTRIES

Cullman First Baptist Church, Cullman, AL

Led and managed a weekday childcare program with an enrollment of 150 children and staff of 25. Since 2011, the program's enrollment increased by 20% and now maintains a wait list, turnover in staff and enrollment has decreased, and capital has increased allowing for building improvements and wage increases.

2000 - 2007

PRESCHOOL MINISTER

St. Andrew's United Methodist Church, Cullman, AL

Responsible for ministry development for the preschool department. Including, but not limited to, Vacation Bible School, training, nursery staff supervision, curriculum development, and church-wide family events.

1993 - 1996

SENIOR HUMAN SERVICES PROGRAM SPECIALIST

Florida Department of Children and Families, Tallahassee, FL Adminstrated the Title IV-A Emergency Assistance program. Developed and conducted statewide training; created job aids; and evaluated districts for federal funding compliance.
